THE **DRIVE**™

## FOR GENERATIONS, GOLFERS HAVE WORKED TO IMPROVE THEIR GAMES. WE THOUGHT IT WAS TIME TO **IMPROVE THEIR DRIVE.**

Whether you're an experienced player or a newcomer to the game, you've undoubtedly come to the conclusion that golf has much to teach. Improvement is a process. We believe the same about building the best golf car.

Introducing The Drive™ by Yamaha. It's safe to say that you've never driven a golf car like this one. Because there's never been a golf car exactly like this one. It's an all-new look at what driving—and owning—a golf car should be.

The mission of the Double H Ranch is to provide specialized programs and year-round support for children and their families dealing with life-threatening illnesses.
