### **Discontinuance of play**

The policy for discontinuance of play shall be consistent with Rule 6-8, in the USGA Rules of Golf. A competitor shall not discontinue play because of inclement weather, unless he/she considers there is danger from lightning, or some other reason, such as sudden illness or injury which the Tournament Director or Host Professional considers justifiable. - a. One day 18, 27, or 36-hole events will be rescheduled at a later date if possible.
  - i. If the entire field completes at least 18 holes, and play is subsequently cancelled, the tournament reverts to an 18 hole event.
- b. Two Day, 36 hole event

  - ii. 2nd day rained out – Tournament reverts to an 18-hole event with the final results being based on the results of the 1st round.

### **Pace of Play**

The Rules of Golf requires that a player shall play at all times without undue delay (Rule 6-7). The Rules Committee, The Tournament Director and/or their designated representative will handle the administration of pace of play. All information should be referred to the Tournament Director immediately upon completion of the round. In performance of these duties, the Tournament Director and/or representative shall not be subject to any abuse, oral or otherwise.

### **Definitions**

#### **Out of Position**

A group is deemed to be out of position when it has exceeded its 14 minutes per hole or 2 hours and 6 minutes for 9 holes (4 hours and 12 minutes for 18 holes) and has a complete hole on a par four or par five open in front of the group. The group will be notified when it is observed to be out of position and individuals within the group will be timed.

#### **Undue Delay**

A competitor "Out of Position" shall be subject to penalty if during the round, he/she takes more than 40 seconds to complete his/her swing. If a player exceeds the time limit on one (1) occasion, he/she will then be cautioned that if he/she exceeds the time limit on one more occasion, (total of 2), he/she will automatically incur a penalty of one stroke, under Rule 6-7. If a player exceeds the time limit on one more occasion (total of 3), he/she will incur an additional two-stroke penalty. If a player exceeds the time limit a total of four (4) times, the penalty is disqualification.

#### **Procedures for Undue Delay**

- i. Officials will use discretion concerning pace of play of early groups. All groups will be expected to play at a reasonable pace. The first group to start will be considered out of position if, at any place during the round, the group is behind the allotted time to play (14 minutes per hole). The following group will be considered out of position if it, (a) is taking more than the allotted time to play and, (b) reached the tee on a par 4 hole or par 5 hole that is clear of all players. A group out of position will be notified that they are out of position and will be subject to individual timing.

- ii. The timing of a player's stroke will begin when a player has reached his/her ball and it is clearly his/her turn to play. A player will be allowed a maximum of 40 seconds to complete his/her stroke. NOTE: an additional 10 seconds will be allowed for (a) the first to play from the teeing ground on a par 3 hole, (b) the first to play a second stroke on a par 4 or a par 5 hole (c) the first player to play a third stroke on a par 5 hole or (d) the first player to play on or around the putting green. Time spent selecting a club and other preparation in preparing to play will count as time taken for the next stroke.
- iii. If a player exceeds the time limit on one occasion, he/she will immediately be cautioned that if he/she exceeds the time limit once more, he/she will automatically incur a penalty under Rule 6-7 of one (1) stroke.
- iv. If a player exceeds the time limit of four times, the penalty is disqualification.
- v. All players in a group that is out of position shall be notified they are being timed and observed. Notification to a group out of position will be given after all players have left the teeing ground and prior to playing any subsequent strokes. Being out of position does not necessarily imply slow play. It is relevant that there be no future undue delay when a group is out of position.
- vi. Timing will discontinue when the group has regained its position. Times previously recorded that have exceeded the limit, however, will be held over for further occurrence.
- vii. Any player who is penalized shall immediately be informed after playing from the teeing ground from the next hole, or in the event of a penalty during play of the last hole of the round, in the scoring area.
- viii. Professionals playing in events with invited amateurs are responsible for the amateurs' pace of play.

Penalty for breach of Rule 6-7

First Offense	Warning
Second Offense	One (1) Stroke Penalty
Third Offense	Two (2) Stroke Penalty
Fourth Offense	Disqualification

### **Motorized Carts & Caddies**

Motorized carts will be used in all section tournaments except junior events or noted on the entry. Players will have the option of riding or walking during section administered events. A player may also carry his/her own golf bag. If a person not competing in an event that rides in a golf car designated for a player, that person will be deemed a caddie. A caddie and player may ride at any time.

The maximum # of golf carts allowed to players per group is as follows for the # of players in a group:  
Twosome will be allowed maximum of 2 golf cars  
Threesome will be allowed maximum of 2 golf cars  
Foursome will be allowed maximum of 2 golf cars  
Fivesome will be allowed maximum of 3 golf cars

### **Spectator Carts**

Spectator carts will be allowed only with the approval of the host professional and host facility

### **Amateurs**

PGA Professionals are responsible for the accuracy of his/her amateurs' handicap index. Teams can be disqualified for incorrect handicap indexes. Unless specifically noted on the entry form, the maximum USGA handicap for an amateur at a NENY PGA tournament shall be 25 for men and 28 for women. Women will be allowed a maximum of 36 handicap for the Pro & 3 Lady Amateur. Men and women will play at 100% handicap. In any event where a professional is required to compete with one or more amateur partners, the following criteria will apply: Preferably the professional will bring amateurs from own club. If a professional cannot supply his/her own amateur(s), he/she may contact the host professional to see if he/she can supply an amateur(s). Professional may then call other clubs for availability of amateurs not already selected to play if host club is not able to provide amateurs.

### **Professional Dress Code**

All male professionals shall wear collared shirts and slacks and shall not wear shorts anywhere on the host golf club property. Professionals must abide by the host facility's professional dress code policy

during practice rounds. Women professionals may wear culottes, walking, or golf shorts that constitute acceptable clothing worn by women. All professionals must present a neat appearance in both clothing and grooming. Violators will be subject to disciplinary action.

### **Amateur Dress Code**

It is the responsibility of section competing professionals to inform amateurs of the dress code. Amateurs shall abide by the dress code of the host facility.

### **Rules of Play**

All tournaments conducted by the NENY PGA shall be played under the Rules of Golf as approved by the USGA, the NENY PGA Hard Card, and all Local Rules at specific events. Except in unusual circumstances, the ball should be played as it lies. All matters of administration, conditions of play, and conduct of play shall be administered under the authority of the NENY PGA Tournament Committee, the Tournament Director, and Host Professional.

### **Course Preparation and Set-Up**

The length of the competition course for NENY PGA events is to be established keeping in mind the nature of the event, the skill of the field, the predicted weather conditions, and the condition of the course itself. In general, courses should be set to a length consistent with that which the better player who frequents the facility would typically play.

Women competitors are to play as near as possible to a length 90% that of the men on a hole by hole basis. In setting the women's tees, the tee selection on a given hole are to be made first for the men, then the 90% is to be applied to that length. If no such tees exist at that length, the nearest point available for the tee location (forward or backwards) is to be used so long as the nature of the shot to be played is preserved (i.e. forced carry, angle of approach, etc.). In selecting the women's tee locations, the preservation of the shot-making characteristics are to take precedent over the 90% length provision.

For both men and women, occasions may arise when it will be virtually impossible to reach par 4 greens in two (2) strokes when played into the wind or when fairways are softer than desired. Provided players are not required to carry hazards in such cases, the NENY PGA Tournament Committee

believes that this fosters additional shot making ability.

Tee placement on par three's will be varied to encourage a broad shot selection. Hole placement will be selected according to the type and length of shot that is to be played into the green. The green's turf condition, contour(s) and forecasted weather are to be taken into consideration. There may well be times when a shot cannot be played towards or cannot come to rest near a hole placement due to the player's preceding stroke, lie of the ball, weather, course conditions or contour of the green. Again, this places a desirable premium on accuracy and judgment. There will be times when unpredicted weather conditions or other factors render a hole's set-up unfair. Those cases will be isolated but nonetheless unavoidable. Observation and constructive criticism on the preparation and set-up of courses are welcome and should be directed to the NENY PGA Tournament Committee Chairperson and Tournament Director.

### **Women's Tees/Same Purse**

In accordance with the PGA of America policy for women professional competitors the separate-tee, same-purse policy shall apply. Women's tees will be set no more than 90% of the length of men's. Woman professionals will compete for the same purse.

### **Distance-Measuring Devices**

All NENY PGA events, including the Northeastern New York Section PGA Professional Championship, the Senior PGA Championship, and NENY PGA Callaway Golf Assistants' Championship will permit the use of distance-measuring devices by all competitors.

EXCEPTION: The use of any cell phone used as a distance measuring device will not be permitted. Violation will result in disqualification.

### **Ties**

#### **Pro Am Events**

Team Competition - In the event of a tie for first place only in the team competition, the USGA recommended method of breaking ties will be used to determine a winner. The method is as follows: Ties for first place will be broken by a match of cards. The method to do this is to determine the winner based on the best total score of the last nine holes. In a shotgun or multiple tee start the last nine holes will be deemed to be holes 10-18. If the tying teams have the same score for the last nine holes, determine the winner on the basis of the last six

holes, last three holes and finally the 18<sup>th</sup> hole. If teams are still tied, the same process will be used for the first nine holes. All other places will split money.

**Individual Pro and Pro Pro Events** In the event of a tie for first place only, a sudden death playoff will be used to determine a winner. All other places will split money. In the case of qualifying events, a sudden death playoff will be used to determine final qualifying spots.

### **Conduct**

PGA Members, Apprentices, and Pre-Apprentices should be aware at all times to conduct themselves in a manner befitting a professional and to influence amateur partners to abide by the same standards. By officially entering a NENY PGA event and/or verbally committing to compete, the players agree to abide by the prescribed rules of conduct. Comments or complaints concerning the tournament program shall be made in writing to the Tournament Director or Tournament Committee Chairman. These complaints/charges will be investigated by the Tournament Committee and/or the NENY PGA's Board of Inquiry based on the Class of Penalty. The Tournament Committee will investigate all "Minor" Tournament Penalties and the Board of Inquiry will investigate all "Major" Tournament Penalties. The Board of Inquiry will then make a recommendation to the Tournament Committee and the Board of Director's and/or the PGA of America's Board of Control based on the severity of the penalty.
